

**Colts Neck First Aid Squad  
Special Business Meeting  
April 28, 2020**

**Call to order:**

The meeting was called to order at 7:01 PM via “Go To Meeting” (due to NJ statewide “Stay at Home” order to combat spread of coronavirus) by President Martha Leonhardt.

President then called roll, all present recorded by Secretary.

**Proposal/Election of New Members:**

George Martin was sworn into membership. George is number 352 and his mentor is Alex Pridmore.

**New Business:**

Jim Schatzle reviewed AHA protocol for CPR on suspected COVID calls:

-Scene safety – Body substance isolation more challenging since virus is aerosolized

- Limit personnel to those essential for patient care

- Factors to determine if to initiate CPR

    a) how long down (last time patient spoken to) (signs – rigidity, temperature)

    b) prior history- if comorbidity with COVID

    c) If patient shockable or if no shock advised and if medics less than 8 minutes out

- Prioritize providing O2 with less aerosolization – All airway care - CPR, ventilating, C- PAP, nebulizer – wear mask with HEPA filter (3 in duty rigs, some members have their own)

Alex advised that non-viral filters for peep valves on BVMs on order, until then surgical masks are tied to peep valves temporarily.

Craig reminded everyone that this month the MedicED Drills are COVID-19 and Allergic Reactions and Anaphylaxis, both for 1 CEU each. Please complete the drills before Sunday night and email completion certificate to Craig. Contact Craig with any issues.
