Officer's Report:

Cross Road Bridge is being repaired so avoid route 520 when transporting patients to Riverview Medical Center in the area of Thompson park. Take Phalanx road to 520 or the navy road. There are rumors about taking patients to urgent cares. Avoid transport to urgent cares and advise patients to be

transported to hospitals. We will not transport to urgent cares. Greg received many thanks about the CPR call in the grand. Melany Tso did well. The Centrastate parking lot is a mess due to construction and a new traffic flow. There is now a random one way so to avoid this make the left when leaving the ambulance bays and go around the long way back to the Rt 537 light. After the meeting Greg wants to speak to Denise, Chuck and Mario.
