Officer's Report:

There were 54 calls in February. John, Mike S, Denise, Craig, Chuck were top 5. Reinstating the 10% for EMT's and 5% for drivers rules again. We are in desperate need for members to come out on call especially during the days. Colts Neck had 5 or more mutual aid calls this month. It took 7 towns to come out for a Covid call this month where the patient remained without care for almost an hour. The CDC released new guidelines regarding masks

and patient care. Joseph and Elaine can both drive lights and sirens now. Thank you, Martha for her efforts on the majestic drive call that was initially a Seizure call but became a CPR call. She was on Scene for about 45 minutes alone. Please use the police officers as a radio to relay information to central response if nobody has one on scene. No more radio checks on the rig duty anymore, they will be removed from the rig duty sheets. The portable Vulcan lights fell in the back cabinet because they weren't clipped in all the way. Please be conscious of this.
