1) Thank you for going to the coverage events. Memorial Day went well, but the First Aid Booth did not work out as well. National Night Out is 8/2 where we will try out the booth again.

2) The power cot Strawpoll passed. We need to sign by the end of the month for 0% financing. We are deliberating if the town or the squad will hold the contract. Town is paying for \$135,000. There is a 6 month lead time before they can be installed.

3) Epi pens were replaced, we are having a hard time getting them.

4) New Duty teams will be set up by the end of the month, we may be able to get up to 6 for the summer.

5) Getting Spillman radios installed in the rigs and removing Ipads. It gives more information and we can dispatch ourselves. We can also Instant Message the police. P&L will install them and charge us for the mount. It does have a map, but it will not route you. We may need a dedicated GPS or phone routing solution.

6) Narcan should be left behind by whoever uses it and a piece of paper with instructions how to use it. Give only 1 tube, not 1 box. If you leave a Narcan with a patient, please let Alex know what happened.

Chief Engineer's Report:

- Chief Engineer read the Rig Duty assignments for the month. They were:

8460- Amanda Geisler

8461- Denise

8462- Vicki

8464- Craig

Duty rig is 84-61 for June. 8461 is now good for service.

Training Officer's Report:

Drill is Psychiatric/Behavioral Emergencies with a guest speaker. CEU's provided

Cadet Advisor's Report:

Cadet competition in Keyport was held last Sunday. We came in 5th place out of 9. Cadets had a great time.

Old Business:

Ems Coordinator at the Keyport Competition said we were robbed in placement. OEM Coordinator at the school standby said we looked good.

New Business:

1) Township will follow all procedures concerning volunteer organizations
Signing the volunteer handbook does not create a contract at anytime. Rules have been in affect since 2012.

Need clarification if we will need to be under an umbrella plan or if we need to change our insurance if they ask.

2) new committee for membership- handled volunteer cards, reached to the PTO, and gained use of electric signs

3) a shift schedule might be set up- using the program when to work to make it easy. It is non mandatory. It might make it easier for middle of day schedule, and give us a way to get the time restricted people a way to volunteer.

People who work 9 to 5 have no way to sign up or be responsible for it.

30 days might not be long enough for a trial period.

People should be responding regardless of shifts if possible.

A banner might be made for our booth.

Adjournment:

**Minutes Prepared by Steven Alaimo
Colts Neck First Aid Squad Secretary**

There was a motion for adjournment at by Matt 2nd by Jim Leber, carried by an all-in favor motion.
