-
- Alex would like to thank those who have been responding, we've managed not to go mutual aid.
 - There is no longer a "COVID" rig, treat every call as a COVID call – wear appropriate PPE, gown up if you choose, but masks, gloves, goggles at bare minimum.
 - Police are scheduled to start moving in next week so everyone to enter car park through back driveway and exit using the front driveway – one way traffic – including the rigs.
 - Please make sure the black chair is tucked under the desk in the bay so it doesn't trip the alarm.
 - Alex thanked everyone again and encouraged members to email her with any questions or suggestions.
 - Martha advised that once police move in, "One Way" signs will be installed to direct traffic in/out.
