**Minutes Prepared by: Elaine Hempstead
Colts Neck First Aid Squad Secretary**

Please make contact with each other.
Have to be in place for a 6pm start, would suggest being there around
5.30/5.45pm

Unfortunately the Project Prom didn't happen this year due to weather and soggy
soil conditions.

Thanks to Debbie, Denise, Ruth and Emily for all their time.
We will try for next year

Still need more people to help on July 13, for a standby for the Lions club that will
pay us to be there. 8.30 to 5pm. If we get enough people we will split it up.

Radio contact with county

(For the college kids who were not at the previous meeting)
Don't radio if you are going on a standby in town,
Don't call back at Quarters.

Keep radio contact to a minimum

Night crew

We have had a few nights in the last month where some of the members didn't
turn up, and had not cleared it with the crew chief. This directly affects the night
team, patient care, and in some cases forces us to go mutual aid.
If you are having trouble with your pager please see Phil and get a different one.
If you do miss a call, it is up to you to contact your crew chief and explain
yourself, not the other way around.

Always respond to the building, we cannot respond without a crew.
If you have 911 app use it, people at the building use it to see who is coming.

DO NOT RESPOND TO AN MVA IN YOUR POV

Unless it's directly on your drive to the building, and it's safe to stop. Always ask
one of the police to let central know there's a member on scene.

We need to get rigs out, Read the SOG

**Minutes Prepared by: Elaine Hempstead
Colts Neck First Aid Squad Secretary**

We are very short of day crew people at the moment, it a good opportunity for the college kids to get their numbers up.
